

SAPIENZA
UNIVERSITÀ DI ROMA

Academic year 2025-2026

Admission methods for the Master's Degree with entry requirements and academic knowledge assessment in:

Safety and Civil Protection Engineering

Faculty of Civil and Industrial Engineering

Class: LM-26; code to be entered on Infostud: **33491**

1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the €10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "*Single Exams*" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of entry requirements and academic knowledge assessment.

Candidates from other Italian universities

Applicants from other Italian universities, after paying the €10,00 fee, must submit a self-certification indicating the exams taken, the scientific disciplines corresponding to the subjects, and relating syllabuses using the form "Dichiarazione laurea ed esami" available on the University Website at the student forms page <https://www.uniroma1.it/en/pagina/student-forms>. Submissions must be made in one of the following ways:

- from the email address indicated on Infostud at the time of registration to the email address of your Student Affairs Office or the address indicated in the curricular requirements, available in the Course Catalogue, on the page of each degree programme, in the Enrolment section. Before submitting your application, you must check that you have uploaded your identification document on Infostud, under the section "Profile>Personal documents";
- from your personal certified e-mail address to the Sapienza University of Rome certified e-mail address protocollosapienza@cert.uniroma1.it

For candidates who have not graduated yet

If the programme regulations provide for it, candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

For candidates coming from foreign countries and/or in possession of a qualification obtained in a non-Italian education system

Procedures for candidates coming from foreign countries are indicated in section 6.

2. Entry requirements

Admission to the master's degree programme of the class in Safety and Civil Protection Engineering requires the fulfilment of curricular requirements that envisage, in any case, an adequate mastery of general scientific methods and contents in the foundation scientific disciplines and the engineering disciplines, preparatory to the core disciplines envisaged in the regulations of this master's degree programme, as well as of the English language. In particular, the curricular requirements for admission to the Master's Degree in Safety and Civil Protection Engineering are:

- A good command, in written and oral form, of the English language, equivalent to level B2 (CEFR - Common European Framework of Reference for Languages), which must be attested by specific certification by the student or through an assessment of this knowledge. Linguistic knowledge may be acknowledged if a B2 language activity is passed in the first-level degree programme or through attendance of the advanced language courses envisaged by the Faculty and the passing of the relevant test before enrolment.

The certifications recognised by the Faculty, corresponding to CEFR Level B2, are the following:

- Cambridge FCE (or higher)
- IELTS level 6 (or higher)
- TOEFL internet-based 72 (or higher), paper-based 513 (or higher), or computer-based 183 (or higher)
- Trinity ISE2 (or higher)

- at least 90 ECTS acquired in degree programmes in Engineering (Old academic system) or in Environmental Civil Engineering or in Industrial Engineering, in the essential educational activities provided for by degree class L-7 in Environmental Civil Engineering and/or degree class L-9 in Industrial Engineering, as specified below:

- at least 30 ECTS in foundation educational activities:

a) academic sectors: Mathematics, Computer Science and Statistics: INF/01 (IINF-01/A), INF/05 (IINF-05/A), MAT/02 (MATH-02/A), MAT/03 (MATH-02/B G), MAT/05 (MATH-03/A), MAT/06 (MATH-03/B), MAT/07 (GSD 02 – Matematica), MAT/08 (GSD 02 – Matematica), MAT/09 (MATH-04/A), SECS-S/02 (STAT-01/B);

b) academic sectors: Physics and Chemistry: CHIM/03 (CHEM-04/A), CHIM/07 (CHEM-06/A), FIS/01 (PHYS-01/A), FIS/03 (PHYS-03/A);

- at least 60 ECTS in the essential educational activities provided for by degree class L-7 in Environmental Civil Engineering and/or degree class L-9 in Industrial Engineering, as specified below:

a) disciplinary field: safety engineering and civil, environmental and territorial protection: ICAR/02 (CEAR-01/B), ICAR/06 (CEAR-04/A), ICAR/07 (CEAR-05/A), ICAR/08 (CEAR-06/A), ICAR/09 (CEAR-07/A), ICAR/11 (CEAR-08/B), ING-IND/11 (IIND-07/B), ING-IND/28 (CEAR-02/B);

b) Disciplinary field: safety engineering and industrial protection: ING-IND/10 (IIND-07/A), ING-IND/14 (IIND-03/A), ING-IND/16 (IIND-04/A), ING-IND/17 (IIND-05/A), ING-IND/21 (IIND-03/C), ING-IND/22 (IMAT-01/A), ING-IND/25 (ICHI-02/A), ING-IND/31 (IET-01/A), ING-IND/33 (IIND-08/B);

c) disciplinary field: environmental and territorial engineering: BIO/07 (BIOS-05/A), CHIM/12 (CHEM-01/B), GEO/02 (GEOS-02/B), GEO/05 (GEOS-03/B), GEO/11 (GEOS-04/B), ICAR/01 (CEAR-01/A), ICAR/03 (CEAR-02/A), ICAR/05 (CEAR-03/B), ICAR/20 (CEAR-12/A), ING-IND/24 (ICHI-01/B), ING-IND/27 (ICHI-02/B), ING-IND/29 (CEAR-02/C), ING-IND/30 (CEAR-02/D);

d) disciplinary field: energy engineering: ING-IND/08 (IIND-06/A), ING-IND/09 (IIND-06/B), ING-IND/19 (IIND-07/D), ING-IND/32 (IIND-08/A).

If the compulsory enrolment requirements are not met, it is possible to supplement the requirements, before enrolment, by enrolling in single courses as per the University's Didactic Regulations. For international graduates, or non-Engineering (Old academic system) graduates or graduates in Environmental Civil Engineering or Industrial Engineering, the assessment of the curricular requirements will be carried out by considering appropriate equivalences between the courses successfully completed and those ascribable to the scientific-disciplinary sectors indicated. Assessment of academic knowledge will be carried out according to the procedures described in the degree programme's didactic regulations.

3. Entry requirements

The assessment of entry requirements is requested by paying a fee of €10,00 from July 2, 2025 to one of the following dates of your choice:

- September 16, 2025 (only date available for non-EU candidates who request a student visa)
- October 16, 2025
- November 18, 2025
- December 16, 2025
- January 15, 2026 (date reserved for those who have already graduated or are about to graduate from Sapienza University of Rome).

Payment is generated on the Infostud system.

Payment is made online via PagoPA (direct payment).

The code to be entered in the system is **33491**.

[Read the instructions](#)

The outcome of the entry requirements assessment will be communicated to the institutional mailbox (if activated) or to the personal email address declared on Infostud.

4. Academic knowledge assessment

Assessment of academic knowledge is carried out if the entry requirements are met.

The procedures for the academic knowledge assessment, which is open only to those who meet the curricular requirements, are set out in the Didactic Regulations, which are available on the degree programme's website.

[Go to the Course Catalogue](#)

5. Enrolment

Enrolment is obtained through payment of the programme enrolment tuition fees, after successful completion of the assessment of entry requirements and academic knowledge.

Payment is generated on the Infostud system.

Payment is made online via PagoPA (direct payment).

The code to be entered into the system is **33491**.

[Read the instructions](#)

The term for paying the first instalment are indicated in the Student Regulations, Part II "Contribuzione studentesca", under the section *"Payment deadlines"*

[Go to the Student Regulations](#)

6. Candidates with an educational qualification obtained within a non-Italian education system

Procedures differ according to nationality and country of residence.

For those with citizenship in non-EU countries, residing abroad and applying for a study visa, and for those from China and participating in the Marco Polo project who choose the English language curriculum

In these cases, it is necessary to have the mandatory pre-acceptance letter.

The procedures to be followed are indicated in section 7 of the International Student Office page

[Read section 7](#)

For those with non-EU citizenship, permanently residing abroad, who apply for a visa for study purposes that choose the Italian language curriculum they are not obliged to get the pre-acceptance letter but must pass the **Italian language proficiency test** (level B2), or must have an Italian language certificate of at least level B2, issued by recognised organisations (<https://www.esteri.it/it/diplomazia-culturale-e-diplomazia-scientifica/cultura/promozioneilinguaitaliana/certificazioni-linguistiche>) as indicated in the Ministry of University and Research Circular.

For information about the Italian language knowledge test go to the dedicated page:

<https://www.uniroma1.it/en/notizia/italian-language-test-international-students>

<https://www.studiare-in-italia.it/studenti stranieri>

For those with Italian citizenship, for those with citizenship in EU countries (regardless of country of residence) and for those with citizenship in non-EU countries with a residence permit in Italy

The procedures referring to these cases are indicated in section 8 of the International Student Office page

[Read section 8](#)

Enrolment procedures for those with an educational qualification from a non-Italian education system

Following the successful outcome of the entry requirements assessment, or upon receipt of the pre-acceptance letter, those in possession of an educational qualification obtained in a non-Italian education system must complete the enrolment procedure for the two-year Master's degree programme as indicated in section 4 of the International Student Office page

[Go to section 4](#)
