

## Academic year 2025-2026

Admission methods for the Master's Degree with entry requirements and academic knowledge assessment in:

## Computer Science

Faculty of Information Engineering, Computer Science, and Statistics

Class: LM-18; code to be entered on Infostud: **33508**

Degree Programme delivered in English language

### 1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the € 10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in Article 41 of the Student Regulations  
[Go to the page](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of entry requirements and academic knowledge assessment.

### Candidates from other Italian universities

Those who come from other Italian universities, after having made the payment, must send an e-mail to the Didactic Committee of the Department of Computer Science: [commissionedidattica@di.uniroma1.it](mailto:commissionedidattica@di.uniroma1.it) by the same dates as those envisaged for the application for the assessment of entry requirements, self-certification of the qualification obtained with an indication of the degree class, the exams taken and the scientific-disciplinary sectors corresponding to the subjects and a copy of the payment of the € 10,00 fee.

Failure to submit the declaration of previous educational career or the negative result of the entry requirements assessment will result in the impossibility of enrolling in this degree programme.

### Candidates who have not graduated yet

If the programme regulations provide for it, candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

**For candidates from foreign countries and/or in possession of a qualification obtained in a non-Italian education system**

Procedures for candidates coming from foreign countries are indicated in section 6.

## **2. Entry requirements**

To be admitted to the Master's degree programme in Computer Science, it is necessary to have acquired at least 90 ECTS in the scientific-disciplinary sectors (SSDs) below, (or equivalent sectors for applicants with a degree obtained abroad):

- INF/01
- ING-INF/01, ING-INF/02, ING-INF/03, ING-INF/04, ING-INF/05
- FIS/01, FIS/02, FIS/07
- MAT/01, MAT/02, MAT/03, MAT/05, MAT/06, MAT/07, MAT/08, MAT/09
- SECS-S/01, SECS-S/06.

Specifically, among the 90 ECTS required for access in the above-mentioned sectors, 72 ECTS must be obtained on the SSDs of the foundation subjects (mathematics, physics, computer science), of the core disciplines of computer science with specific reference to the disciplines relating to ITC (Information and Communication Technology), data science, mathematical-physical science and information engineering.

Knowledge of fundamental aspects of computer science relating to programming languages, algorithms and data structures, computer architectures, databases, computer networks, operating systems, computability and complexity theory is also required.

As this is a Master's degree programme delivered in English, an English language proficiency of B2 level or higher is required.

The methods for assessing the fulfilment of the curricular requirements and academic knowledge are defined in the Programme Regulations and publicised on the Degree Programme's website. For applicants with non-Italian citizenship, specific procedures for assessing their academic knowledge are defined and published on the Programme's website.

Those who do not meet the entry requirements may enrol in single courses and sit the relevant exams prior to enrolment in the Master's degree programme, as provided for in the Regulations on the Attendance of Undergraduate and Master's Degrees and Student Contributions (*"Regolamento per la frequenza dei corsi di laurea e laurea magistrale e contribuzione studentesca"*).

## **3. Entry requirements assessment**

The assessment of entry requirements is requested by paying a fee of €10,00 from July 2, 2025, to one of the following dates of your choice:

- September 16, 2025 (only date available for non-EU candidates who request a student visa)
- October 16, 2025
- November 18, 2025
- December 16, 2025
- January 15, 2026 (date reserved for those who have already graduated or are about to graduate from Sapienza University of Rome).

**Payment** is generated on the Infostud system.

**Payment** is made online via PagoPA (direct payment).

The **code** to be entered in the system is **33508**.

[Read the instructions](#)

**The outcome** of the entry requirements assessment will be communicated to the institutional mailbox (if activated) or to the personal email address declared on Infostud.

#### 4. Assessment of academic knowledge

The academic knowledge assessment will be carried out taking into account the degree class obtained, the graduation grade and the results obtained in the exams belonging to the scientific-disciplinary sectors of the computer science area.

The academic knowledge assessment Board will approve admission for those who have obtained a degree in classes L-31 or L-8 with a grade no lower than 100/110. Otherwise, if the academic knowledge is not fully adequate, they will be required to pass an admission interview, aimed at verifying their knowledge of the fundamental aspects of computer science, relating specifically to: algorithms and data structures, programming languages, computer architectures, databases, computer networks, operating systems.

We recommend that you submit your application for entry requirements and academic knowledge assessment well in advance, in order to receive the necessary guidance in time to prepare for the admission interview.

Proficiency in English of at least level B2 must be attested by appropriate certification. Alternatively, it will be necessary to attend an interview, in accordance with the indications provided by the Board, together with the outcome of the assessment of entry requirements and academic knowledge.

Applicants who hold an Italian three-year degree (obtained at Sapienza University of Rome or another university) and wish to apply for the assessment of entry requirements and academic knowledge should send their documentation to the following email address [commissionedidattica@di.uniroma1.it](mailto:commissionedidattica@di.uniroma1.it)

#### 5. Enrolment

Enrolment is obtained through payment of the enrolment tuition fees, after successful completion of the entry requirements and academic knowledge assessment.

**Payment** is generated on the Infostud system.

**Payment** is made online via PagoPA (direct payment).

The **code** to be entered in the system is **33508**.

[Read the instructions](#)

The term for paying the first instalment are indicated in the Student Regulations, Part II "*Contribuzione studentesca*", under the section "*Payment deadlines*"

[Go to the Student Regulations](#)

#### 6. Candidates with an educational qualification obtained in a non-Italian education system

Procedures differ according to nationality and country of residence.

**For those with citizenship in non-EU countries, residing abroad and applying for a study visa, and for those from China and participating in the Marco Polo project**

In these cases, it is necessary to have the mandatory pre-acceptance letter.

The procedures to be followed are indicated in section 7 of the International Student Office page

[Read section 7](#)

**For those with Italian citizenship, for those with citizenship in EU countries (regardless of country of residence) and for those with citizenship in non-EU countries with a residence permit in Italy**

The procedures referring to these cases are indicated in section 8 of the International Student Office page

[Read section 8](#)

### **Enrolment procedures for those with an educational qualification from a non-Italian education system**

Following the successful outcome of the entry requirements assessment, or upon receipt of the pre-acceptance letter, those in possession of an educational qualification obtained in a non-Italian education system must complete the enrolment procedure for the two-year Master's degree programme as indicated in section 4 of the International Student Office page

[Go to section 4](#)
