

Academic year 2026-2027

Admission procedure for the Master's degree programme
with assessment of entry requirements and personal knowledge in:

Physics

Faculty of Mathematical, Physical and Natural Sciences

Degree Class: LM-17; code to be entered on Infostud: **33602**

Course taught in English

1. Stages of the procedure

To be admitted to the programme, you must:

- a. **Pay** the fee of €10.00 in accordance with the procedures and deadlines set out in point 3.
- b. **Wait for the outcome** of the eligibility check. **If you do not meet the entry requirements**, you may acquire the missing credits by passing single examinations.
The procedures and costs are set out in the section 'Single Examinations' of the Regulations for Attendance at Bachelor's and Master's Degree Programmes and for Student Fees
[Go to the regulations](#)
- c. **Carry out the personal skills assessment** in accordance with the procedures set out in point 4.
- d. **Proceed with enrolment** by paying the course enrolment fees in accordance with the procedures and deadlines set out in point 5.
Enrolment can only take place once the Student Affairs Office has sent an email confirming the successful outcome of the eligibility and personal knowledge checks.

For students coming from other Italian universities

Students coming from other Italian universities must, after paying €10.00, submit a self-declaration stating the exams they have taken, the scientific-disciplinary sectors corresponding to the courses, and the relevant syllabuses, using the form "Dichiarazione laurea ed esami per verifica dei requisiti" available on the University website, on the student forms page

<https://www.uniroma1.it/en/pagina/student-forms>

The submission can be made from the personal email address provided on Infostud at the time of registration, or from a certified email (PEC) address.

- If you are using your personal email account, the address to enter as the recipient is that of your Student Affairs Office or the address specified in the course requirements, available in the degree programme catalogue on the page for each course, under the 'Enrolment' section. Before submitting your application, you must check that you have uploaded your identity document to Infostud, under 'Profile > Personal documents';

- If you are using a certified email (PEC) account, the address to enter as the recipient is `protocollosapienza@cert.uniroma1.it`

For students who have not yet obtained their degree

Where the course regulations so provide, students who have not yet obtained their degree (at Sapienza or at other universities) may also apply for verification of their eligibility, subject to the requirement to obtain it by 23 January 2027 (for students who have not yet obtained their degree at Sapienza) and by 19 December 2026 (for students who have not yet obtained their degree from other Italian or international universities).

For students from abroad and/or holding a qualification obtained within a foreign education system

The procedures for students from abroad are set out in point 6.

2. Admission requirements

Admission to the Master's degree programme in Physics requires a three-year bachelor's degree or university diploma, or an equivalent qualification obtained abroad and recognised as such.

A good knowledge of classical and modern physics, the fundamentals of chemistry, and the necessary mathematical and computing skills is required.

A good command of the English language, both written and spoken, is also required, with particular reference to subject-specific and technical vocabulary.

To be eligible for the Master's degree, students who have completed a three-year degree must have acquired at least:

- a total of 20 credits in mathematics and/or computer science (MAT/01–MAT/08, INF/01, ING-INF/05);
- 5 credits in chemistry (CHIM/01–03 and CHIM/06) ;
- 65 credits in physics (FIS/01–FIS/08), of which at least 40 credits must be in experimental physics (FIS/01), 12 credits in theoretical physics, mathematical models and methods (FIS/02), and 8 credits in the physics of matter and/or nuclear and subnuclear physics (FIS/03, FIS/04).

Students who hold a three-year degree in Physics (pursuant to Ministerial Decree 270/2004) awarded by Sapienza University of Rome and a total of 8 CFU in the physics of matter and/or nuclear and subnuclear physics (FIS/03, FIS/04) are automatically deemed to meet the academic requirements for admission to the Master's degree programme.

Students who do not meet these academic requirements may enrol for individual examinations, as provided for in the University's Student Regulations for Bachelor's and Master's degree programmes, and take the examinations before enrolling on the Master's degree programme.

3. Verification of eligibility

Eligibility checks must be requested by paying a €10.00 fee from 2 July 2026 and by one of the following dates, as chosen:

- 15 September 2026 (the only applicable date for applicants from non-EU countries requiring a student visa)
- 15 October 2026
- 17 November 2026
- 17 December 2026
- 14 January 2027 (date reserved for students who have already graduated from Sapienza or are about to graduate).

The payment is generated via the Infostud system.

The **payment** is made online via PagoPA (direct payment).

The **code** to be entered into the system is **33602**.

[Read the instructions](#)

The result of the eligibility check will be sent to your institutional email account (if active) or to the personal email address provided on Infostud.

4. Assessment of personal knowledge

For all students who meet the admission requirements as specified in point 2, their knowledge will be assessed by a dedicated committee.

Admission to the Master's degree programme in Physics will be automatically granted to students who meet the admission requirements, have obtained a three-year Bachelor's degree (L-30) and submit a certificate attesting to their knowledge of English at least at level B2 (Common European Framework of Reference for Languages – CEFR) or equivalent.

In the case of applicants who meet the admission requirements but do not fulfil the conditions specified above, the Committee will assess their knowledge of the required subjects through assessment interviews.

5. Enrolment

Enrolment is granted upon payment of the course enrolment fees, following the successful completion of the assessment of entry requirements and personal knowledge.

The payment slip is generated via the Infostud system.

Payment is made online via PagoPA (direct payment).

[Read the instructions](#)

The deadlines for paying the first instalment are set out in the Regulations for Attendance on Bachelor's and Master's Degree Programmes, Chapter IX – Fees, ISEE, Payment Deadlines, under the heading 'Deadlines for paying enrolment fees for degree programmes and consequences in the event of late payment or suspension'

[Go to the regulations](#)

6. For students who hold a qualification from a foreign education system

The procedures vary depending on citizenship and country of residence.

For students of non-EU countries who reside abroad and are applying for a student visa, and for students from China participating in the Marco Polo programme

In these cases, you must hold a mandatory letter of pre-acceptance.

The procedures to follow are set out in point 7 on the International Students' Office page

[Read point 7](#)

For students who are Italian citizens, citizens of EU countries (regardless of their country of residence) and citizens of non-EU countries holding a residence permit in Italy

The procedures applicable to these cases are set out in point 8 on the International Students' Office page.

[Read point 8](#)

Enrolment procedures

Following a successful verification of eligibility, or upon receipt of a letter of pre-acceptance, students who hold a qualification obtained within a foreign education system must complete the enrolment procedure for the two-year Master's degree programme as set out in point 4 on the International Students' Office page.
