Academic Year 2018-2019

Admission procedures for the Masters Degree Programme

With verification of requirements and of personal preparation:

Engineering in Computer Science – Ingegneria Informatica
Degree programme taught in English

Faculty of Information Engineering, Informatics and Statistics

Class: LM-32; code to be indicated on Infostud: 29937

Admission requirements

Admission to the Masters Degree Programme in Computer Science Engineering is regulated by the criteria for the verification of curricular requirements mentioned below. A prior assessment of the previous career will be carried out. Candidates will be admitted if the sum of the credits that can be validated from the previous degree programme in the Academic Disciplines (SSD) listed below is greater than 120 Credits (ECTS/CFU). A study plan will be identified based on the career assessment, the study plan may prescribe a differentiation from the regular study plan up to 36 Credits.

ING-INF/05 – Data Processing Systems

ING-INF/01 - Electronics

ING-INF/02 – Electromagnetic Fields

ING-INF/03 - Telecommunications

ING-INF/04 - Automatics

ING-INF/06 – Electronic and Information Bioengineering

ING-INF/07 – Electric and Electronic Measurement Systems

ING-IND/31 – Electrotechnics

ING-IND/35 – Engineering and Management

INF/01 – Computer Science

CHIM/07 – Foundations of Chemistry for Technologies

FIS/01 – Experimental Physics

MAT/02 - Algebra

MAT/03 - Geometry

MAT/05 – Mathematical Analysis

MAT/06 – Probability and Mathematical Statistics

MAT/08 – Numerical Analysis

MAT/09 – Operational Research

SECS-S/02 - Statistics for Experimental and Technological Research

English language knowledge level B2 of the Common European Framework is also required.

Verification of personal preparation

A Selection Board appointed by the Area Committee will assess the student's personal preparation based on these elements:

- average of the bachelors degree grades;
- relevance of the bachelors degree curriculum;
- other extracurricular activities, including work activities and different educational activities;
- a possible interview.

Based on the curricular requirements that are met and on the assessment of personal preparation, the Selection Board may identify study plans, within the masters degree programme, that students will have to follow.

Operating procedures

Printing the payment slip

The application for the verification of requirements must be printed from the computerized system, Infostud, following the procedures described at <https://www.uniroma1.it/it/pagina/infostud>

The system will create a payment slip of the amount of €10 that is, at the same time, application, self-certification of personal details and privacy consent form, the payment for it must be made within one of the dates indicated below:

14 September 2018, 15 October 2018, 14 November 2018, 14 December 2018, 14 January 2019 (date only for graduand students and for Sapienza University of Rome graduates).

The payment must be made at an Italian Unicredit branch.

The results of the applications assessment will be sent at the institutional e-mail account (if activated) or at the e-mail address given on Infostud.

Students coming from other Universities

Before making the payment, students from other Universities must register following the procedure described on the same webpage, and submit to the Educational Affairs Office (by hand or via e-mail at segreteria didattica@diag.uniroma1.it), within the same application deadlines prescribed for the verification of requirements, a self-certification of the educational qualification held, specifying the degree programme's Class, the exams taken and the corresponding Academic Disciplines (SSD) for each subject, and a copy of the proof of payment for the €10 payment slip and a copy of a valid identification document. Failure to submit the student's previous study plan or a negative result in the verification of curricular requirements leads to not being allowed to enrol in the degree programme.

Educational Affairs Office address and opening hours:

Segreteria Didattica del

Educational Affairs Office of the

Department of Information, Control and Management Engineering "Antonio Ruberti"

Via Ariosto 25

Raised ground floor (Wing B) Room B001

Opening hours: Monday, Wednesday and Friday, from 9.30 to 13.00

E-mail: segreteria didattica@diag.uniroma1.it

The Educational Affairs Office will be closed in August

Students with the invitation letter

Before making the payment, students coming from Universities abroad must register following the procedure described on the webpage and must go to the Office for Students with a Foreign Qualification to complete the enrolment process providing these documents: passport, student visa (for non-EU citizens resident abroad), an uncertified copy of the Upper Secondary School diploma translated in Italian, legalised and with declaration of value,

uncertified copy of the academic degree translated and legalised with declaration of value, uncertified copy of the exams list certificate (translated in Italian, if for a degree programme in Italian) to attest the exams taken, translated and legalised, a copy of each subject's detailed program, specifying the number of hours for theoretical and practical educational activities prescribed for obtaining the qualification (translated in Italian if the masters degree programme is in Italian), the proof of payment of the €10 payment slip for the verification of requirements.

Students without the invitation letter

Before making the payment, students coming from Universities abroad must register following the procedure described on the webpage and must go to the Office for Students with a Foreign Qualification to complete the enrolment process providing these documents: passport, student visa (for non-EU citizens resident abroad), an uncertified copy of the Upper Secondary School diploma translated in Italian, legalised and with declaration of value, uncertified copy of the academic degree translated and legalised with declaration of value, uncertified copy of the exams list certificate (translated in Italian, if for a degree programme in Italian) to attest the exams taken, translated and legalised, a copy of the detailed programs for each subject, specifying the number of hours for theoretical and practical educational activities prescribed for obtaining the qualification (translated in Italian if the masters degree programme is in Italian), the proof of payment of the €10 payment slip for the verification of requirements.

Graduand students

If laid down in the degree programme Regulation, students from Sapienza University of Rome or from other Italian Universities who have not yet graduated, without prejudice to the obligation to gain their degree within 18 January 2019 (for Sapienza University students) and within 21 December 2018 (for students from other Italian Universities), will also be allowed to apply for the verification of requirements.

Single exams to fulfill requirements

Graduates and graduand students from Sapienza University of Rome and from other Italian Universities who want to enrol in a masters degree programme of the D.M. 270/04 academic system at Sapienza University of Rome and who do not meet the related curricular requirements, may register for single courses before enrolling in the masters degree programme with a 75% price reduction for each single course. Any possible exam taken cannot be part of the bachelors degree, is not taken into account to calculate the average grade, and cannot be used for applying for a shortened degree, but is only added to the student's study plan for the above-mentioned purposes. Enrolment procedures for single courses are described in Article 41 of the Manifesto ("Manifesto generale degli studi").

Additional indications

Procedures following the requirements verification are indicated in Article 8 of the Manifesto ("Manifesto Generale degli studi") published on the University website
